SPECIAL EVENT!!!
Introduction to Nose Work
at the 2017 National Specialty

Date – Thursday, March 16, 2017
Location – Kentucky Expo

WHAT – K9 Nose Work is a new sport that is sweeping the country! Dogs of all ages and sizes can participate! We capture the dog's natural instinct to hunt – which makes it very fun and rewarding to the dog. The training is based on the training a bomb or drug detection dog would go through – but with fun for the dogs in mind! We start with food in boxes and gradually switch over to finding specific scents (Birch, Anise & Clove).

WHO – Nancy Walker is from Nashville, Tennessee. Nancy has been involved with dog training since 1970. She first became aware of K9 Nose Work in 2011 when she was working with a client who needed help training their service dog. She quickly became interested and began working with her own dog and saw how much the dogs loved it. Nancy began offering classes in nose work but wanted to do it right! In 2012, she began the process of becoming a “Certified Nose Work Instructor” or CNWI. She has completed the training and is Tennessee's first CNWI! You can read more of Nancy's bio here: www.landbdogagility.com/instructors/

WHEN – Thursday, March 16, 2017 from 6:00-9:00pm. Class size is limited and, if there is enough interest, we will add another class on Wednesday, March 15, 2017 from 6:00-9:00pm.

WHERE – We are working on an exact location. It will be held at the Kentucky Expo Center.

DINNER - We are working with one of the local vendors to provide a Boxed Lunch for participants. These will be available for an additional fee and are pre-order only.

REGISTRATION – Class size is limited to 8 working spots. Spots will be filled on a first received basis. If Thursday's class fills, we will add a Wednesday class that will also have 8 working spots. There are Auditing spots available.

WORKING SPOTS - \$50/dog, each dog/handler team will have an opportunity to work independently. Please bring a crate for your dog as they will need to be crated while other teams work.

AUDIT SPOTS - \$10/person

Be among the first to know when registration for this event opens up. Sign up for text alerts by texting @17ENoseWrk to 81010. Or send an email to 17KYAE@gmail.com and put “K9 Nose Work” in the subject line.

You can sign up at any time. The messages will have the Class name (i.e., Conform, Rally, etc.) at the top of the message and instructions on how to stop receiving messages. These are one-way text messages. Sign up for all or some, totally up to you. Even if you can’t join us in Louisville, sign up and get real time updates and results!
