Re: Request by the American Eskimo Dog Club of America (AEDCA) to reopen the AKC Stud Book to a supplemental registration of UKC-registered AEDs

Dear Ms. O'Neill:

This letter serves as a follow-up to the proposal submitted by the AEDCA requesting a supplemental registration of UKC-registered American Eskimo Dogs. In the proposal previously submitted, we failed to state the terms of the supplemental registration.

The AEDCA respectfully requests that the AKC open the Stud Book for the supplemental registration for a period of **five years**.

If you require further information, please contact Barbara Beynon, President, at the number on the left.

Sincerely,

Traci Anderson  
Corresponding Secretary
